

The Region of  
Southern Denmark,  
Brussels Office,

Meeting at the Region Friuli Venezia Giulia

15 May 2007

Brief outline of  
Health, Social Care &  
Psychiatry

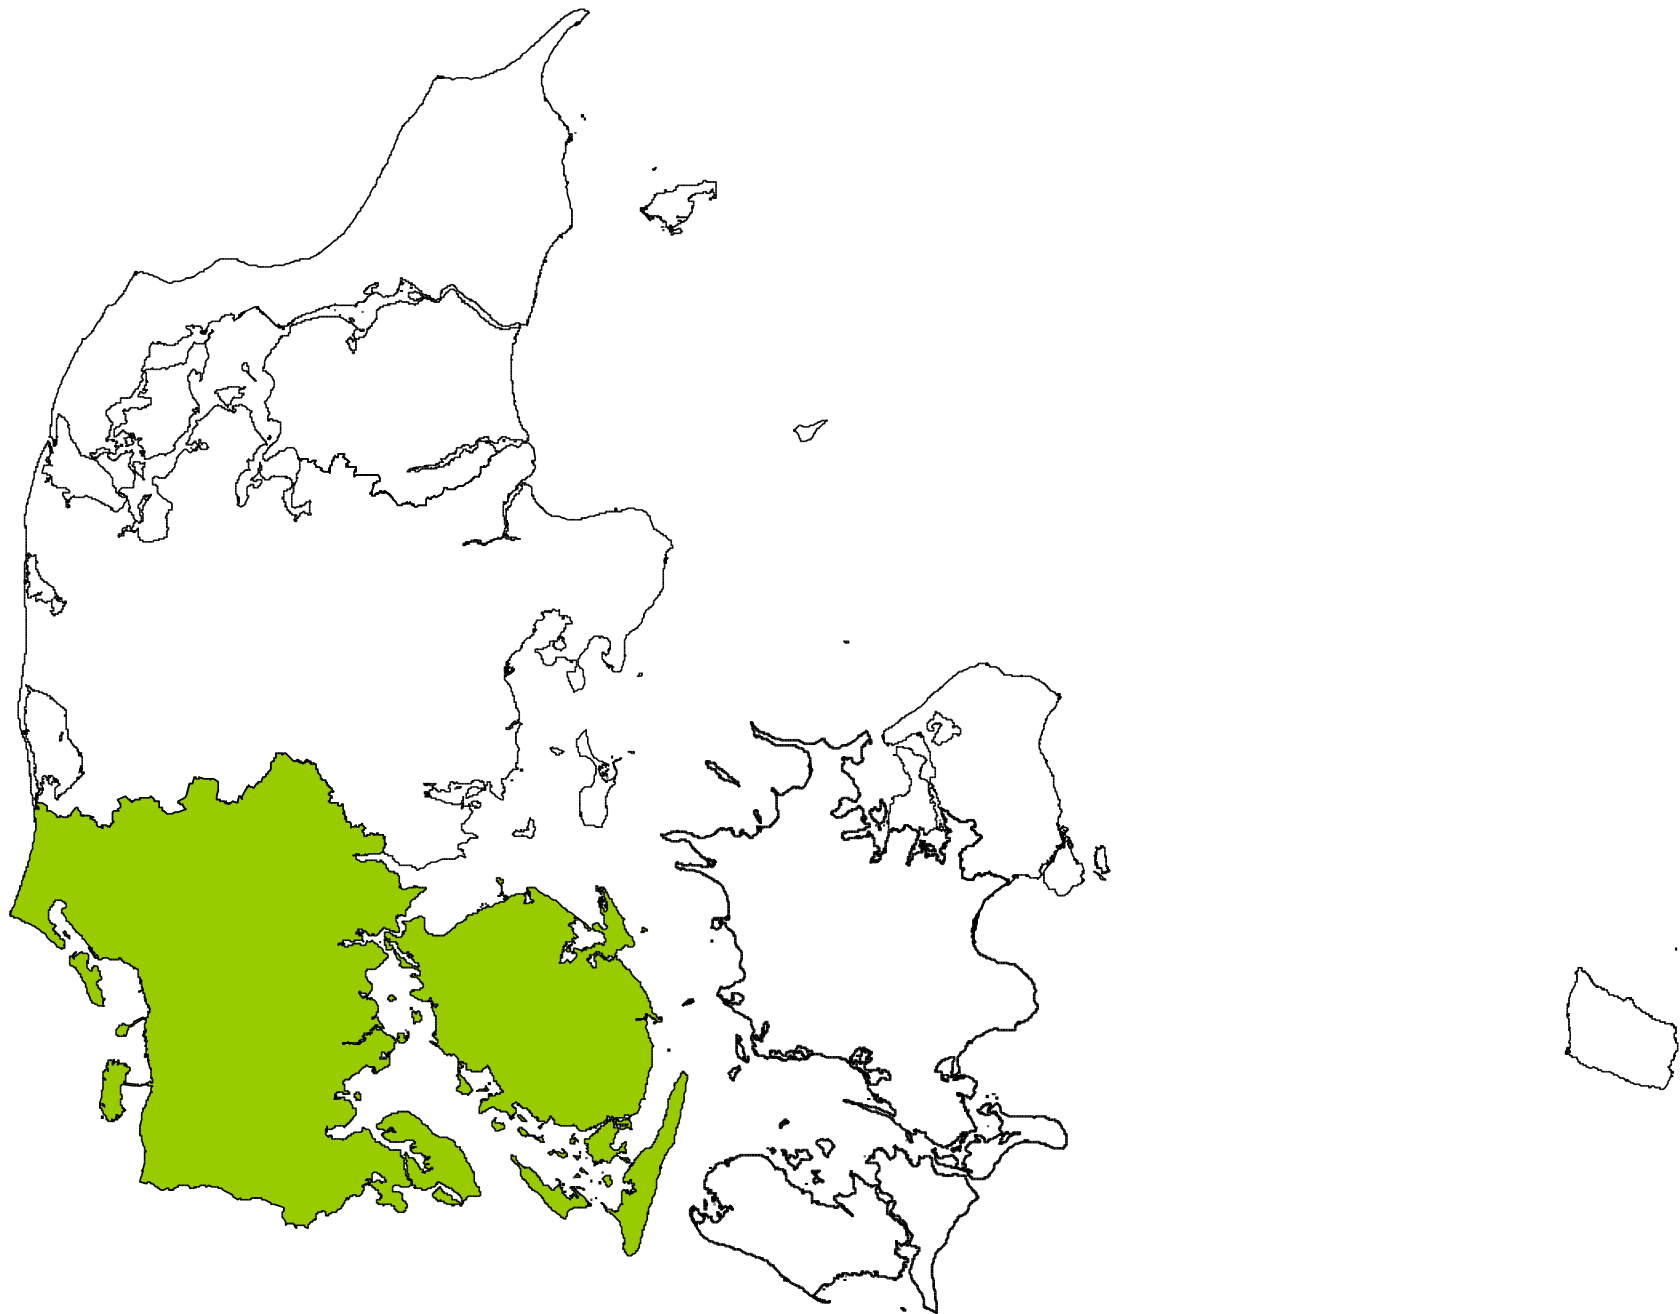

1 January 2007

Reorganisation of the public  
administration system in Denmark

# The Region's health assignments:

- Practices (GPs etc)
  - 18 Hospitals
- 

# Practices

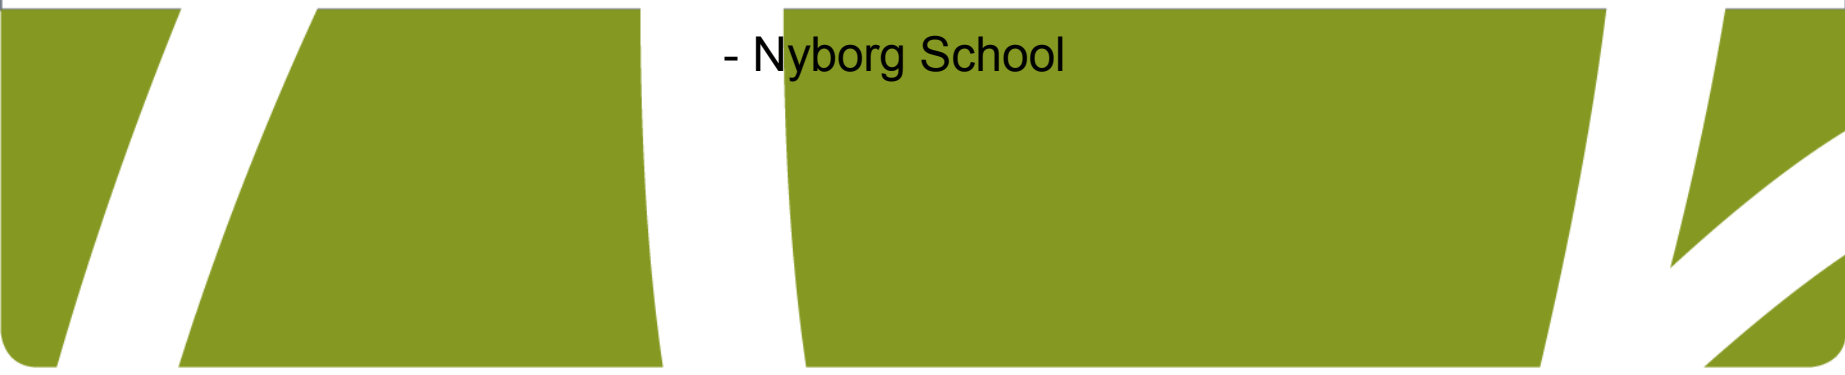

- Free medical care at GPs
  - Subsidy for medicine, dental care and treatment by chiropractors etc
  - Medical travel insurance
- 

# Financing of Health

- Block subsidy from the state: 75%
- Activity-specific payment from the state: 5%
- Basic contributions from the local authorities (EUR 130 – 200 per citizen)
- Local authority payment for services

# The Region's social assignments:

- 24-hour care for children and young people
  - Sheltered employment and activity services
    - Accommodation offers
    - Secure facility for young criminals
      - Fredericia School
      - Nyborg School
- 

# Financing of social care

- Local authorities finance all costs via rate-based payment.
  - The rates are defined in an annual framework agreement
- 

# Psychiatry

Social psychiatry services

Services for survivors of trauma and torture

European collaboration in  
view of health:

Health Optimum Project

**Many Thanks!**
